Comprehensive Calendar 2026/2027

Information Letter no. 22-2026

Dear Member Federation,

We are pleased to share with you the first finalised version of the calendar for the upcoming season. To make sure the document is most accurate we kindly ask for your active collaboration on two essential points:

General Verification of Data

We call upon **ALL organizers** to carefully check all information regarding your events. Despite all the care taken during data entry, mistakes can happen. Please ensure that everything is perfectly correct on your end.

Strict Procedure for Any Modifications

In order to centralize all information and avoid any omissions, please note that ALL change- and additional requests must strictly be submitted through [this online form](#).

No requests sent by email, text, or phone will be taken into account. Only submissions made via the form will be processed.

Thank you in advance for your prompt response and diligence, which will allow us to publish an accurate and reliable final calendar for the next season 2026-2027.

Best regards,

Pascal Tesch
President
